This letter is to acknowledge that the USPTO did not scan in the petition decision which was mailed on 17 November 2009. Because the scanned copy went missing, Applicant has kindly provided the USPTO with a fax of their copy, which is now being scanned in to complete the USPTO's file. In addition, this letter makes the following correction to the petition decision: the decision incorrectly stated that the Office action mailed 19 December was being withdrawn. There is no Office action mailed on that date. Instead, the Office action mailed 13 August 2009 is withdrawn as incomplete. The application will be placed on the examiner's amended docket for action consistent with the petition.
